CALL FOR QUOTATIONS – QMFA 045/2014

QMFA 045/2014 - Limited Period Contract for the technical service and equipment rental of a Public Address system (PA system) at the Ministry for Foreign Affairs

Clarification Note 1

Question:

You request two types of speakers but only one per model. Ideally speakers are used in pairs per model?

Answer:

The request is to quote for each pair per model

Question:

Do we understand that your audience is never larger than 150 pax? If yes then you must have 2 in qty for the suppliers to quote accordingly?

Answer:

The hall takes up to max 150 guests. The supplier is to quote accordingly

Question:

What about the venue – can you give us an idea of the venues being considered – in Valletta – in Malta ... or?

Answer:

Kindly refer to the document where it is specified:

The system might be used inside one of the Ministry's halls or the courtyard. Events may be organised even after office hours (e.g. in the evening).

Question:

You are specifying that all permit costs must be included. Yet we deem that since you will be the organizers you are to have the permits necessary to organize the event. Please confirm?

Answer:

There is no need for permit since the events are mostly for conference matters. However permits for delivery matters please refer to the document clause 8.
